

BRITISH ZEOLITE ASSOCIATION

TWENTY SIXTH ANNUAL MEETING

9th-11th April 2003

**Conference Centres
University of Nottingham
Nottingham
England**

www.bza.org/BZA2003

GENERAL INFORMATION

INTRODUCTION

The spring 2003 meeting of the British zeolite association is to be held at the University of Nottingham conference centres. Similar to previous two day meetings, there is a strong emphasis on student and younger scientist contributions. The BZA committee would like to welcome contributions from all fields of zeolite science, in particular but not limited to applications, structure, synthesis, computation and catalysis.

KEY DATES

- 15th February 03:** Deadline for receipt of titles and abstracts for oral & poster presentations
1st March 03: Early bird registration ends
25th March 03: Final payment date

CONFERENCE WEBSITE

Information about the conference can also be found on the web at www.bza.org/BZA2003

The site will be regularly updated as further details become available.

ACCOMMODATION

Accommodation will be within the residential halls of the University of Nottingham campus in the Hugh Stuart Hall of Residence. The halls are in Georgian-Gothic style placed in an area with surrounding lawns and willow trees. The campus is spread over 330 acres of landscaped parkland. A Bank and shops are available on campus. The Art Gallery on campus (free entry for visitors) hosts a wide variety of exhibitions throughout the year, while the Recital Hall offers a varied programme of evening, lunchtime and rush-hour concerts. Car parking is available near the residences. All rooms are single studies and are available with shared and en-suite bathrooms. The halls are close to Science City and the Medical School. The campus is situated near the Nottingham city centre (ca 3 miles).

TRAVEL

RAIL: Nottingham University campus is only a short taxi ride away from Nottingham railway station. Buses are 250 metres walk from the railway station (North and West entrance: 5a; East, South and West entrance 5, 5b, 18,.32, all from Broadmarsh Centre).

ROAD: **M1** Leave motorway at Junction 25 to join the A52 to Nottingham. Turn right at The Priory roundabout (about 4 miles from M1), then left at next roundabout to enter the University's West Entrance.

AIR: From east Midlands Airport (10 miles) regular buses (Trent and Barton buses 5b and Nottingham city buses 5) go to the University Park Campus. A direct taxi from the forecourt at the airport to the university costs ca. £20 single journey.

MEALS

Meals are provided at the conference site including a cooked English breakfast, lunch and dinner. A banquet will be held on the Thursday evening. The registration fee covers all meals along with coffee during the morning break and tea in the afternoons. Pay bars are available on site.

SCIENTIFIC PROGRAMME

The 2003 meeting will follow the established pattern for spring meetings, namely 30 min presentation of original research papers interspersed by invited and plenary lectures.

The plenary speakers will be:

Gabrielle Centi (Univ. Messina, Italy)

Lynn McCusker (ETH, Zurich)

Russell Morris (Univ. St. Andrews, UK)

Graham Hutchings (Univ. Cardiff, UK)

As there is only limited time for research papers to be presented orally during the meeting other papers will be presented as posters which will be displayed throughout the duration of the meeting. **Please note instructions for preparation of abstracts.**

ABSTRACTS

Abstracts of plenary lectures and both oral and poster research papers will be given to each scientific participant of the meeting. To ease the secretarial burden please prepare a camera-ready abstract on one side of A4 to include authors name(s), affiliation(s), poster title (optional photo of author) and about 10 lines of abstract describing the work. If possible also submit the abstract via email in Microsoft word format.
